Change Description:

The CANlink wireless 3001/3002 will be discontinued, because effective August 1, 2025, new EU-RED (Radio Equipment Directive) regulations will be set into force. The product won't be changed to comply with the new regulations and can therefore no longer be placed on the EU market.

A successor product [CANlink wireless 4001/4003](#) is already available, but it is not a drop-in-replacement. Please consult your Proemion sales representative for more details.

Identification method to distinguish the change:

N/A.

Qualifiable impact on quality and reliability:

No impact on form, fit and function. Not compliant to EU-Regulation after Last-Time-Ship Date.

¹ The proposed first ship date is the forecasted date that a customer may expect to receive changed products. This is determined by the estimated date of inventory depletion on the PCN issue date. This may be affected by fluctuations in supply and demand. Consequently, although customers should be prepared to receive changed products on this date, Proemion will continue to ship pre-changed products until a time in which the inventory has been depleted. This may result in pre-changed products being shipped to customers after this forecasted date.
